# Your Ultimate Estate

From its commanding **5.6 acre** estate, complete with **410 feet** of direct waterfront and **16,472 square foot** mansion, to its sweeping views across the Eye of the Gulf towards Sand Key and Clearwater's skyline — this property has left a lasting impression on U.S presidents and international heads of state alike!

Located right on the grounds where Spanish-American war battles were fought, it is now a one-of-a-kind opportunity for someone to make history their home.
